PROFIT ALERT – REDUCTION IN LOSS AND IN LOSS ATTRIBUTABLE TO OWNERS OF THE COMPANY

This announcement is made by Lumina Group Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on the Stock Exchange (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and the potential investors that, based on a preliminary review of the unaudited consolidated management accounts of the Group for the year ended 31 March 2025 (the “**Year**”) and the information currently available to the Board, it is anticipated that the Group will record a net loss and a loss attributable to the owners of the Company of approximately HK\$20.4 million and HK\$13.6 million respectively for the Year, as compared to the net loss and the loss attributable to the owners of the Company of approximately HK\$29.8 million and HK\$29.8 million for the year ended 31 March 2024.

The expected decrease in net loss is primarily attributable to the combined effect of (i) an increase in the gross profit margin due to the increase in the gross profit margin of projects from the fire safety system installation services; (ii) a net of reversal on impairment losses on trade receivables and contract assets; and (iii) a reduction of approximately HK\$7 million in administrative expenses due to cost savings in the Group’s overall operational expenses; net off by (i) a decrease in the revenue recognised by the Group due to the fact that most of our

projects are already in the final stages while several newly awarded large projects remain in the early stages; and (ii) a provision of impairment losses on prepayments and video rights related to the investment in short-video and animation production in the People's Republic of China (“**PRC**”) during the Year. On the other hand, the decrease in the expected loss attributable to the owners of the Company is mainly due to the allocation of losses to the non-controlling interests, with the losses incurred and attributed to the non-controlling interests arising from the business of production of short videos and animation in the PRC.

As at the date of this announcement, the Company is still in the process of finalising the results of the Group for the Year. The information contained in this announcement is only based on a preliminary assessment by the Board with reference to the unaudited consolidated management accounts of the Group for the Year and the information currently available to the Board. Such information has not been confirmed, reviewed or audited by the Independent Auditor of the Company nor have been confirmed by the Audit Committee of the Company and may be subject to further adjustment based on the receipt of further updated information. Further details of the Group's financial results and performance for the Year will be published by the end of June 2025 in accordance with the Listing Rules.

Shareholders of the Company and potential investors should exercise caution when dealing in the securities of the Company.
